ABOUT ME

GABRIELA BORRAZ

2D Animator and visual artist, Gabriela was born in Tuxtla Gutiérrez, Chiapas, México in September 5th, 1990.

Her initiation into visual arts was through workshops at Jaime Sabines Cultural Center and she completed university in 2013 at Tecnológico de Monterrey with a Bachelor's Degree in Animation and Digital Art.

The heart of her work is to make creative ideas come to life, to communicate and inspire. All being born in a digital environment and taking full advantage of the motion graphics movement technology.
